STEEL

estate entry gates

Ameristar's Steel Estate Entry Gates are designed with a timeless elegance and are built to last with welded construction at every intersection. Manufactured to match the popular Montage II, Commercial & Plus product lines, Ameristar's Steel Estate Entry Gates have a cast of a kiln compressed arch, which provides a seamless transition from ornamental fence to decorative gate.

WHY CHOOSE AMERISTAR

▷ KNOWLEDGE & EXPERIENCE

Ameristar was chartered 20 years ago in response to the demand by consumers & specifiers for specialty fence products. Ameristar offers an aesthetically pleasing product that is both high in quality & affordability. This has been achieved by maximizing high-volume productivity, increasing product design strength, and providing simplistic installation.

▷ PROVEN CAPABILITY

Ameristar's integrated in-house process & extensive raw material inventory results in much improved productivity and availability compared to the competition. By having a vast finished goods inventory, Ameristar is capable of delivering finished products faster than competitors who out-let the majority of their operations.

▷ INDUSTRY LEADERSHIP

Over the years Ameristar has continually raised the bar across the board in the manufacturing of high quality, innovative fencing products. Our demonstrated commitment to upholding higher values translates into superior products that go far beyond merely meeting minimum industry standards.
